

**SUPPLEMENTAL BID BULLETIN NO. 2021-007**

**PROCUREMENT AND DELIVERY OF PORTABLE MEDICAL GRADE AIR  
PURIFIER UNITS FOR THE OFFICE OF THE SOLICITOR GENERAL  
(OSG PR No. 021-11-197)**

TO ALL PROSPECTIVE BIDDERS:

Following the discussions/clarifications made during the Pre-bid Conference held last December 01, 2021, and considering the December 03, 2021 letter from Filrad Corporation, the Bids and Awards Committee and its Technical Working Group resolved to issue this Bid Bulletin, either retaining/revising the Terms of Reference (TOR) as follows:

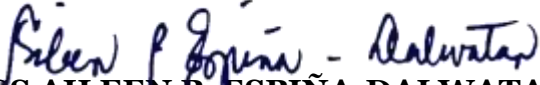

1. The testing of the air purifiers for actual efficiency or purification rate prior to acceptance will prove more beneficial and advantageous to the procuring entity. This will ensure that the acquired air purifier units are within the standards set by the TOR as advertised by the winning bidder. However, the testing will be conducted at the expense of the winning bidder. **Section B of the Terms of Reference (TOR) is therefore amended as indicated in the attached amended TOR.**
2. In relation to Filrad Corporation's statement that it is "offering a two-in-one system so every unit will be composed of two air purifiers with a combined airflow rate of more than 220 m<sup>3</sup>/h," the TOR simply refers to the base requirement that the air purifier units must have a CADR of at least 220 m<sup>3</sup>/h, regardless of whether the air purifiers are offered as a two-in-one system or not. Impliedly, it appears that Filrad has withdrawn its request that the CADR rating be reduced. Hence, **the CADR requirement in the TOR is retained.**
3. **The extension of the period to deliver the air purifier units of 30 days counted from the receipt of the Notice to Proceed is amended to 60 days only considering the pressing need for the immediate delivery of the air purifier units.**

Please see the attached copy of the amended TOR for reference.

For your guidance.
